

ZIYAD ABDELA MUME, MPH — CERTIFICATIONS DIRECTORY

Comprehensive Register of Technical Certifications, Fellowships & Specialized Trainings

Executive Credentials Profile: A curated directory of 35+ professional certifications spanning Monitoring, Evaluation, Accountability & Learning (MEAL), Digital Health Information Systems (DHIS2/eCHIS), Vaccine Safety & Pharmacovigilance, Clinical Research (GCP), and Humanitarian Standards. Issued by leading global institutions including WHO, UNICEF, Harvard Humanitarian Academy, Johns Hopkins University, FHI 360, JSI, and the Humanitarian Leadership Academy.

1. Monitoring, Evaluation, Accountability & Learning (MEAL & RBM)

Certification Name	Issuing Organization	Technical Focus
MEAL DPro Certification	Humanitarian Leadership Academy (HLA)	MEAL project identification, design, logic models & data verification
Planning, Monitoring & Evaluation (PMEL)	FHI 360 / Philanthropy University	Results-based monitoring, indicator development, logframe alignment
MEL for HIV Programmes	International AIDS Society (IAS)	PEPFAR MER indicator tracking, cascade monitoring, routine data quality
Certificate of Project Cycle Management	ITCILO (International Training Centre)	PCM methodologies, resource allocation, donor reporting standards
Fundamental Project Management	Philanthropy University / FHI 360	Work breakdown structures, risk management, stakeholder engagement
Managing Project Finances	FHI 360 / Philanthropy University	Budget tracking, financial compliance, grant management
Professional Project Plans (MS Project)	Udemy	Gantt charts, critical path method, schedule performance monitoring
Quality Improvement (QI) & Data Quality	USAID / MOH / MSF	Root cause analysis, RDQA audits, healthcare quality metrics

2. Digital Health, HIS & Data Analytics

Certification Name	Issuing Organization	Technical Focus
DHIS2 Analytics & Dashboard Management	JSI Digital Health Activity / MOH (2023)	Custom analytics, DHIS2 Tracker, indicator pivot tables & dashboards
Africa Digital Health Student Bootcamp	Digital Health Africa (DHA) (2024)	8-week intensive bootcamp, community digital innovation award winner
Global Health Informatics Certification	NextGen / USAID	Health data standards, interoperability, enterprise HIS architecture
eCHIS User & Trainer Certification	Ministry of Health (MOH) / EFDA	Electronic Community HIS workflows, HEW digital data capture
Data Management for Clinical Research	Johns Hopkins University	REDCap database design, CRF creation, audit trails, data integrity
CommCare Application Fundamentals	Dimagi Academy	Mobile case management app configuration, decision support logic
KoboToolbox & ODK Mobile Data Collection	Kobo Organization / Open Data Kit	Form building (XLSForm), skip logic, geospatial tagging, offline sync
IBM SPSS & Stata Data Analytics	Statistical Training Institute	Descriptive/inferential statistics, regression modeling, survey weightings
Power BI for Information Management	Microsoft / Independent	DAX queries, data modeling, interactive public health dashboards
Information Management Essentials	UNICEF (Agora)	Cluster IM, data harmonization, humanitarian reporting structures

3. Immunization, Vaccine Safety, Pharmacovigilance & Disease Surveillance

Certification Name	Issuing Organization	Technical Focus
Nutrition Cluster IM (Level 1–3 Certified)	UNICEF (Agora)	Emergency nutrition data management, SMART surveys, NIS tracking
EPI Mid-Level Management (MLM & TOT)	WHO AFRO	Master trainer for EPI operations, coverage expansion, microplanning
EPI Surveillance & Information Systems	WHO	VPD surveillance, case-based tracking, active case searching
Vaccine Safety & AEFI Investigation	WHO / WHO AFRO	AEFI causality assessment, adverse reaction triage, field investigation
Adverse Event & Pharmacovigilance Comm.	Uppsala Monitoring Centre (Sweden)	Global ICSR reporting, signal detection, risk communication
Adverse Event Learning System (AERL) TOT	EFDA	National adverse reaction reporting, regulatory compliance
Effective Vaccine & Cold Chain (EVM/CCE)	UNICEF / WHO	Cold chain monitoring, temperature logs, vaccine potency protection
Public Health Emergency Operations (PHEOC)	WHO	Incident command systems, outbreak response, PHEM reporting
GPEI Polio Outbreak Response & nOPV2 TOT	UNICEF / WHO	Polio surveillance, nOPV2 rollout, social & behavior change
Measles Control in Emergency Settings (MCES)	UNICEF	SIA campaign planning, outbreak containment, vitamin A dosing
Integrated Pharmaceutical Logistics (IPLS)	EPSA / JSI	LMIS LMUP tracking, stockout prevention, essential medicine flow

4. Clinical Research, Health Systems Strengthening & Disease Control

Certification Name	Issuing Organization	Technical Focus
Good Clinical Practice (GCP)	Johns Hopkins / GOAL Ethiopia	Human subject protection, IRB protocols, RCT clinical trial management
Antimicrobial Resistance (AMR) Parts I & II	USAID	AMR surveillance, stewardship programs, laboratory data links
One Health in Action against NTDs	WHO	Multi-sectoral NTD control, vector management, zoonotic linkage
NTD Supply Chain & Roadmap 2021–2030	WHO	Mass Drug Administration (MDA) logistics, health product tracking
Onchocerciasis & Skin-NTDs Training	WHO	Clinical recognition, MDA mapping, community treatment protocols
Infection Prevention & Control (IPC)	USAID / MSF	Facility IPC audits, waste management, biosafety standards
Quality of Care Training of Trainers (ToT)	Family Guidance Association (FGAE)	Clinical audit standards, reproductive health quality assurance

5. Humanitarian Standards, Protection & Gender

Certification Name	Issuing Organization	Technical Focus
Sphere Standards in Practice	Humanitarian Leadership Academy (HLA)	Minimum humanitarian standards in WASH, health, food security
Core Humanitarian Standards (CHS)	Humanitarian Leadership Academy (HLA)	Quality, accountability & AAP commitments in emergency response
Build Better Response	Harvard Humanitarian Academy (2023)	Civil-military coordination, international emergency coordination

Certification Name	Issuing Organization	Technical Focus
Adolescent & Youth SRH (AYSRHR)	EngenderHealth / SPIRHR	Youth-friendly service delivery, rights-based reproductive health
Gender-Transformative Approaches	UNICEF	Gender mainstreaming, adolescent girls empowerment
GBV Case Management & Ethical Interviewing	GOAL Ethiopia	Survivor-centered care, referral pathways, confidential data handling
Community MHPSS	IOM	Psychosocial first aid, community integration, mental health screening
