

ZIYAD ABDELA MUME, MPH

Senior Monitoring, Evaluation, Research & Learning (MERL) and Digital Health Specialist

Adama / West Hararghe, Oromia, Ethiopia • Phone: +251 902 293 720 • Email: ziyadmume2013@gmail.com • LinkedIn: linkedin.com/in/Ziyad-Abdela

EXECUTIVE PROFESSIONAL SUMMARY

Results-driven Public Health, MERL, and Digital Health Systems Specialist with 10+ years of progressive leadership designing, executing, and institutionalizing monitoring, evaluation, research, and electronic health information architectures across humanitarian, clinical research, and development programs in Ethiopia. Proven technical expertise in Results-Based Monitoring (RBM), Routine Data Quality Assurance (DQA/RDQA), digital surveillance systems (DHIS2, eCHIS), and mobile data collection platforms (KoboToolbox, ODK, CommCare, REDCap). Demonstrated track record in leading multi-site research trials (RCTs), managing large-scale disease/AEFI surveillance databases, building partner MERL capacity, and translating multi-sectoral datasets into actionable evidence for ministries of health, UN agencies, USAID/PEPFAR, and international NGOs.

CORE COMPETENCIES & TECHNICAL CAPABILITIES

MERL & Research Methods	Results-Based Monitoring (RBM), Logframes, Indicator Performance Tracking Tables (IPTT), DQA/RDQA Protocols, Baseline/Midline/Endline Evaluations, Randomized Controlled Trials (RCTs), Post-Distribution Monitoring (PDM), Qualitative & Quantitative Research (FGDs, KIIs, Household Surveys), Research Ethics & IRB Compliance.
Digital Health & HIS	DHIS2 (Aggregate, Tracker & Android Capture), eCHIS (Community Health Info System), EthioEMR / HMIS, Dagu / eAPTS Pharmacy Logistics, Electronic Disease & AEFI Safety Surveillance, Digital Health Interoperability & Data Use Culture.
Mobile Data & Analytics	KoboToolbox / ODK, CommCare, REDCap, SurveyCTO, Power BI Executive Dashboards, IBM SPSS, Stata, Python (Pandas/NumPy), R, SQL, Advanced MS Excel Data Validation & Cleaning Pipelines.
Governance & Safeguarding	Accountability to Affected Populations (AAP), Complaint Feedback Mechanisms (CFM/CRM), Gender-Transformative & Inclusive MERL, Good Clinical Practice (GCP), Multi-Sectoral Stakeholder Engagement (MoH, EPHI, EFDA, RHBS).

PROFESSIONAL EXPERIENCE

Senior M&E; Officer / MERL Coordinator

April 2026 – Present

Family Guidance Association of Ethiopia (FGAE) — BRAVE / Mulata Keenya Project (Plan International) | West Hararghe Zone, Oromia

- Directing regional MERL framework implementation, Results-Based Monitoring (RBM), and indicator tracking across 4 target woredas.
- Developing standardized data management protocols and IPTT tools across integrated SRHR, gender, youth, and climate components.
- Managing Community Feedback and Response Mechanisms (CFRM) and conducting health facility quality-of-care verification visits.

MEAL Officer (Short-Term Emergency Assignment)

Jan 2026 – April 2026

International Medical Corps (IMC) — Harar Field Office | East Hararghe Zone, Oromia

- Led field MEAL operations for multi-sectoral emergency response covering Health, Nutrition, MHPSS, WASH, and GBV in Meyu Muluke Woreda.
- Deployed KoboToolbox mobile tools, conducted Post-Distribution Monitoring (PDM) for Cash & WASH NFIs, and led routine DQAs.
- Retrieved, cleaned, and analyzed field datasets, ensuring 100% compliance with Core Humanitarian Standards (CHS) and donor reporting.

Field Supervisor / Study Coordinator

Jan 2026 – Feb 2026

Population Council Ethiopia | Harari Region, Eastern Ethiopia

- Supervised field enumerator teams executing a mixed-methods opinion poll and vignette research study on Female Genital Mutilation (FGM).
- Enforced strict research ethics, informed consent, spot-checks, and back-checks; performed real-time data reviews on Kobo platforms.

Field Assessor / Data Collector (National EVM Assessment)

Dec 2025 – Jan 2026

Oxford Policy Management (OPM) Consultancy | Oromia Region

- Supported national Effective Vaccine Management (EVM) assessment in partnership with MOH and EPSS across Oromia health facility cold chain networks.
- Administered structured facility audit tools, reconciled vaccine stocks against records, and conducted Key Informant Interviews (KIIs).

Sub-National Vaccine Safety Monitoring & AEFI Surveillance TA (Consultant)

Apr 2024 – Nov 2025

LonAdd HR Consultancy / UNICEF — Seconded to Oromia Regional Health Bureau (ORHB / EFDA) | Oromia Region (4 Zones)

- Spearheaded sub-national COVID-19 and routine vaccine safety surveillance (AEFI) integration within DHIS2 across West Hararghe, East Hararghe, Bale, and East Bale zones.
- Processed and validated over 1,200+ AEFI reports, ensuring accurate digital transmission to the national pharmacovigilance center (EFDA/EPHI).
- Elevated partner health facility data quality and completeness scores from 63% to 87% through routine DQA audits and hands-on mentoring.
- Facilitated zonal data review meetings and compiled analytical summaries to support evidence-based immunization decision-making.

Monitoring & Evaluation Specialist

Sept 2024 – Jun 2025

USAID/PEPFAR Family-Focused HIV Project — Dugda Children & Family Charitable Org (DCFCO) | Oromia Region (6 SNUs)

- Directed MERL system implementation across 6 sub-national units (Meki, Batu, Dodola, Robe, Goba, Gindhir), tracking PEPFAR MER indicators.
- Conducted routine Data Quality Assessments (DQA/RDQA), data reconciliation, and onsite mentoring for local implementing partners (LIPs).
- Configured CommCare mobile survey applications and built Power BI performance dashboards for real-time indicator tracking and donor reporting.

Senior MAMI Research Officer

Nov 2021 – Apr 2024

MAMI RISE Project — GOAL Ethiopia | East Hararghe Zone (Deder Woreda)

- Led field data architecture and research operations for an IRB-approved Randomized Controlled Trial (RCT) evaluating the Management of Small and Nutritionally At-Risk Infants and Their Mothers (MAMI) Care Pathway.
- Managed REDCap and ODK electronic survey pipelines, performing daily data validation, qualitative transcription (FGDs/KIIs), and dataset archiving.
- Supervised clinical study nurses and enumerators, maintaining over 98% record validation accuracy and full GCP/research ethics compliance.

Cluster Manager — WISH2ACTION SRHR Project

Aug 2019 – Oct 2021

Family Guidance Association of Ethiopia (FGAE) — DFID/FCDO Funded | West Hararghe Zone

- Managed multi-woreda cluster MEL plans and service quality monitoring across 15 public and 6 private health facilities.
- Strengthened HMIS/DHIS2 electronic reporting accuracy for SRHR/EmONC indicators, mentoring facility health workers and youth peer networks.

Emergency Health Assistant — MHNT Project

Apr 2018 – Jun 2019

International Rescue Committee (IRC) | Doba Woreda, West Hararghe

- Managed patient documentation, service registers, and disease surveillance reporting for Mobile Health and Nutrition Teams (MHNT) in IDP sites.

Director of Primary Health Care Unit (PHCU) & Woreda PHEM/RMNCH Focal

Nov 2015 – Mar 2018

Federal Ministry of Health (FMOH) — Waldeya PHCU & Shanan Dhugo Woreda Health Office | West Hararghe Zone

- Oversaw facility clinical operations, DHIS2 monthly reporting, disease surveillance (PHEM/EPI), and Health Extension Worker (HEW) supervision.

EDUCATION**Master of Public Health (MPH) in Public Health / Nutrition**

Haramaya University | 2021 – 2025

Bachelor of Science (BSc) in Public Health Officer

Wollo University | 2011 – 2015

KEY CERTIFICATIONS & PROFESSIONAL TRAINING

- ✓ MEAL DPro Certification — Humanitarian Leadership Academy (HLA)

✓ African Digital Health Student Bootcamp & Innovation Award — Digital Health Africa (DHA, 2024)

✓ Planning, Monitoring & Evaluation (PMEL) — FHI 360 / Philanthropy University

✓ Good Clinical Practice (GCP) & Clinical Trials Data Management — Johns Hopkins University

✓ Core Humanitarian Standards (CHS) & Sphere Standards in Practice — HLA

✓ Fundamental Project Management & Managing Project Finances — FHI 360 / Philanthropy University
- ✓ DHIS2 Analytics & Dashboard Management Certification — JSI Digital Health Activity / MOH (2023)

✓ eCHIS User & Master Trainer Certification — Ministry of Health (MOH) / EFDA

✓ Nutrition Cluster Information Management (Level 3) — UNICEF Agora

✓ EPI Mid-Level Managers (MLM) Master Certification & VPD Surveillance — WHO AFRO

✓ Build Better Response — Harvard Humanitarian Academy (2023)

✓ CommCare Application Development — Dimagi Academy

LANGUAGES & TECHNICAL TOOLS

- Languages:

Afaan Oromo: Native / Mother Tongue | Amharic: Native / Fluent | English: Full Professional Working Proficiency
- Software & Tools:

DHIS2, eCHIS, KoboToolbox, ODK, CommCare, REDCap, SurveyCTO, Power BI, IBM SPSS, Stata, Python, R, SQL, MS Excel (Advanced), MS Project.
